Rabia’s From Narrative to Myth - Rika Elaroui Cornell - 2019-01-03
Rabia’s al-Adawiyya is a figure shrouded in myth. Certainly a woman by this name was born in Basra, Iraq, in the eighth century, but her life remains recorded only in legends, stories, poems and hagiographies. The various depictions of her – as a deeply spiritual ascetic, an existentialist rebel and a romantic lover – seem impossible to reconcile, and yet Rabia’s has transcended these narratives to become a global symbol of both Sufi and modern secular culture. In this groundbreaking study, Rika Elaroui Cornell traces the development of these diverse narratives and provides a history of the iconic Rabia’s construction as a Sufi saint. Combining medieval and modern sources, including evidence never before examined, in novel ways, Rabia’s From Narrative to Myth is the most significant work to emerge on this quintessential figure in Islam for more than seventy years.

Islamic Mystical Poetry: Mahmood Jamal - 2009-10-29
Written from the ninth to the twentieth century, these poems represent the peak of Islamic Mystical writing, from Rabia Basri to Mian Mohammad Baksh. Reflecting both private devotional love and the attempt to attain union with God and become absorbed into the Divine, many poems in this edition are imbued with the symbols and metaphors that develop many of the central ideas of Sufism: the Lover, the Beloved, the Wine, and the Tavern; while others are more personal and echo the poet’s battle to leave earthly love behind. These translations capture the passion of the original poetry and are accompanied by an introduction on Sufism and the common themes apparent in the works. This edition also includes suggested further reading.

Joy - Osho - 2010-04-01
One of the twentieth century’s greatest spiritual teachers inspires us to experience and appreciate both the elation—and sadness—of Joy: The Happiness That Comes From Within. With an artful mix of compassion and humor, Osho shows us that joy is the essence of life, that even unhappiness has its root in joy. He encourages us to accept joy by being grateful to be alive and for the challenges and opportunities in life, and by finding the good in all that we have—rather than setting conditions or demands for happiness. By embracing joy, one comes closer to a true, peaceful, and balanced state. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Love Poems from God - Various - 2002-09-24
Sacreed poetry from twelve mystics and saints, rendered brilliantly by Daniel Ladinsky, beloved interpreter of verses by the fourteenth-century Persian poet Hafiz One of 6 Books Oprah Loves to Give as Gifts During the Holidays “All kinds of beauty.” – Hoda Koth In this luminous collection, Daniel Ladinsky--best known for his bestselling interpretations of the great Sufi poet Hafiz—brings together the timeless word of twelve of the world’s finest spiritual writers, six from the East and six from the West. Once again, Ladinsky reveals his talent for creating profound and playful renditions of classic poems for a modern audience. Rumi’s joyous, ecstatic love poems; St. Francis’s loving observations of nature through the eyes of Catholicism; Kabir’s wild, freeing humor that synthesizes Hindu, Muslim, and Christian beliefs; St. Teresa’s sensual verse; and the mystical, healing words of Sufi poet Hafiz—these along with inspiring works by Rabia, Meister Eckhart, St. Thomas Aquinas, Mira, St. Catherine of Siena, St. Teresa of Avila, St. John of the Cross, and Hafiz are all “love poems by God” from writers considered “conduits of the divine.” Together, they form a spiritual treasure to cherish always.

The Book of Nizamuddin Aulia - Mehru Jaffer - 2012-10-15 ‘As the soldier picked up his sword to slaughter, the Sufi stood up to confront the politics of the day with a song.’ The Book of Nizamuddin Aulia reveals the life and teachings of the most beloved and revered of medieval Sufi saints. Nizamuddin Aulia was born in 1236, in great poverty. He grew up in a tumultuous period and saw three dynasties and seven sultans wreak havoc over an entire nation in the name of religion. Staying away from the corridors of power, the mystic chose instead to dedicate his life to the Sufi vision of love and spiritual enlightenment and to serving the needs of the poor. If Muinuddin Chishti introduced Sufism to India, Nizamuddin helped spread his message across the country as the head of the Chishti Sufi order. Even today, his shrine in New Delhi, the Nizamuddin Dargah, draws countless devotees and visitors. In this rich, colourful book, Mehru Jaffer tells the story of Nizamuddin Aulia from man to saint, vividly bringing alive the history of the period.

Encyclopedia of Women and World Religion - Serinity Young - 1999 “In spite of the sexism that has denied women full active status in their religions, the editor calls this title a “celebration” of the scholarship of recent years. In order to offer a global perspective, contributions were sought from non-Western as well as Western scholars for the 600 signed articles. Entries encompass dual religions and their variations, biographies, movements, issues, and the relationship of religion to the study of art, literature, and science. While broadest coverage is given to the major religions of the world, information is also provided on Sikhism, African religions, Santeria, and Native American religions and many others. An added feature is the synoptic outline, which provides conceptual themes to the reader. This valuable resource is accessible to the high school and college student, to the researcher and the general reader”.--"Outstanding Reference Sources :the 1999 Selection of New Titles", American Libraries, May 1999. interconnected wisdom of the three Abrahamic faiths. She shares an overview of essential teachings, stories of saints and spiritual masters, prophetic calls for peace and justice, and for the first time in print, deeply engaging narratives from her own spiritual experiences. She guides readers to recognize the teachings and practices that unify rather than divide the three religions, and sheds light on the interspiritual perspective, which celebrates the Divine in all paths. It is Mirabai's hope that this book will serve as a reminder that a dedication to loving-kindness is the highest expression of faith for all three religions. EARLY REVIEWS FOR God of Love

Teachings of Rumi - Andrew Harvey - 1999-07-06

Jelaluddin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabrizi—through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master’s most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it.

Exploring the Spiritual in Popular Music - Georgina Gregory - 2021-01-28

This book highlights how the diverse nature of spiritual practices are experienced and manifest through the medium of popular music. At first glance, chapters on Krishnaconure, the Rave Church phenomenon and post-punk repertoire of Psychic TV may appear to have little in common; however, this book draws attention to some of the similarities of the nuances of spiritual expression that underpin the lived experience of popular music. As an interdisciplinary volume, the extensive introduction unpacks and clarifies terminology relating to the study of religion and popular music. The cross-disciplinary approach of the book makes it accessible and appealing to scholars of religious studies, cultural studies, popular music studies and theology. Unlike existing collections dealing with popular music and religion that focus on a specific genre, this innovative book offers a range of music and case studies, with chapters written by...

White Utopias - Amanda J. Lucia - 2020-10-13
Transformational festivals, from Burning Man to Lightning in a Bottle, Bhakti Fest, and Wanderlust, are massive events that attract thousands of participants to sites around the world. In this groundbreaking book, Amanda J. Lucia shows how these festivals operate as religious institutions for “spiritual, but not religious” (SBNR) communities. Whereas previous research into SBNR practices and New Age religion has not addressed the predominantly white makeup of these communities, White Utopias examines the complicated, often contradictory relationships with race at these events, presenting an engrossing ethnography of SBNR practices. Lucia contends that participants create temporary utopias through their shared commitments to spiritual growth and human connection. But they also participate in religious exoticism by adopting Indigenous and Indic spiritualities, a practice that ultimately renders them exclusive, white utopias. Focusing on yoga’s role in disseminating SBNR values, Lucia offers new ways of comprehending transformational festivals as significant cultural phenomena.
